

Welcome Back!

For everyone's safety, we ask all our staff, volunteers, parishioners, and guests to abide by the following guidelines:

To Enter the Church:

- 1) Tickets are no longer required to attend any Mass. The number of persons allowed in the sanctuary is limited to 125 total. Families will be admitted on a first come, first served basis.
- 2) Everyone who enters should be feeling healthy and well, and not exhibiting any symptoms of illness.
- 3) Please arrive at least 15-20 mins prior to the Mass time. Once the church reaches capacity or the Mass begins, the doors will be locked and no one will be allowed to enter.
- 4) A face mask is required for everyone entering the church. A bandana or scarf can be used as a face covering.
- 5) Greeters will provide you with hand sanitizer as you walk in. It is recommended that you bring your own personal hand sanitizer as well.
- 6) Ushers will seat you in pews. Every family must be seated at least 6 ft apart.
- 7) Avoid shaking hands, hugging, or any other personal contact. Please do not congregate in the church or the parking lot before or after Mass.
- 8) Areas are marked to maintain proper social distancing as much as possible.
- 9) Enter through the front entrance of the church. Exit through the side door closest to where you are seated. The ushers will dismiss each row in order.
- 10) For your protection, the pews and other surfaces will be sanitized before/after every Mass. For info, please call (210) 658-3816 during business hours.
