Querida familia de Santa Mónica,

Saludos del Padre Thumma Prathap. ¡Les deseo a todos una Feliz Navidad y un Próspero Año Nuevo! Que el Niño Jesús bendiga abundantemente a vosotros y a vuestra familia esta Navidad y a lo largo de 2020. Sigo disfrutando de tener mi ministerio en Santa Mónica, Converse. El P. Mauricio y yo estamos muy agradecidos por toda la cooperación, el apoyo, el amor y el aliento que recibimos de la comunidad.

También me gustaría proporcionar una actualización sobre el estado del proyecto para hacer mejoras a nuestra iglesia. Como recordarán, cuando llegué a Santa Mónica, estábamos buscando un gran diseño para expandir nuestra iglesia que costaría \$2.5 millones. Hasta ese momento, habíamos logrado recibir un millón de dólares de donativos a la Campaña de Capital, e intentamos reducir el alcance del proyecto para reducir el costo a menos de \$1 millón.

Nuestro segundo plan era ampliar el área cerca del vestíbulo para construir nuevos baños y una nueva estructura básica. Con este diseño simplificado, sentimos que seríamos capaces de añadir comodidades como una sacristía y una pila bautismal en el futuro. Recibimos un cálculo del costo para este plan de proyecto revisado y se estimó en \$1,7 millones. Dado que todavía estábamos muy por encima del presupuesto del millón de dólares, continuamos trabajando con el arquitecto y el contratista para escalar el proyecto aún más. Teniendo en cuenta el límite del millón de dólares, el comité financiero, el consejo pastoral, y la junta de construcción, decidí que proporcionar baños adecuados y mejorados debería ser la prioridad número uno para la parroquia.

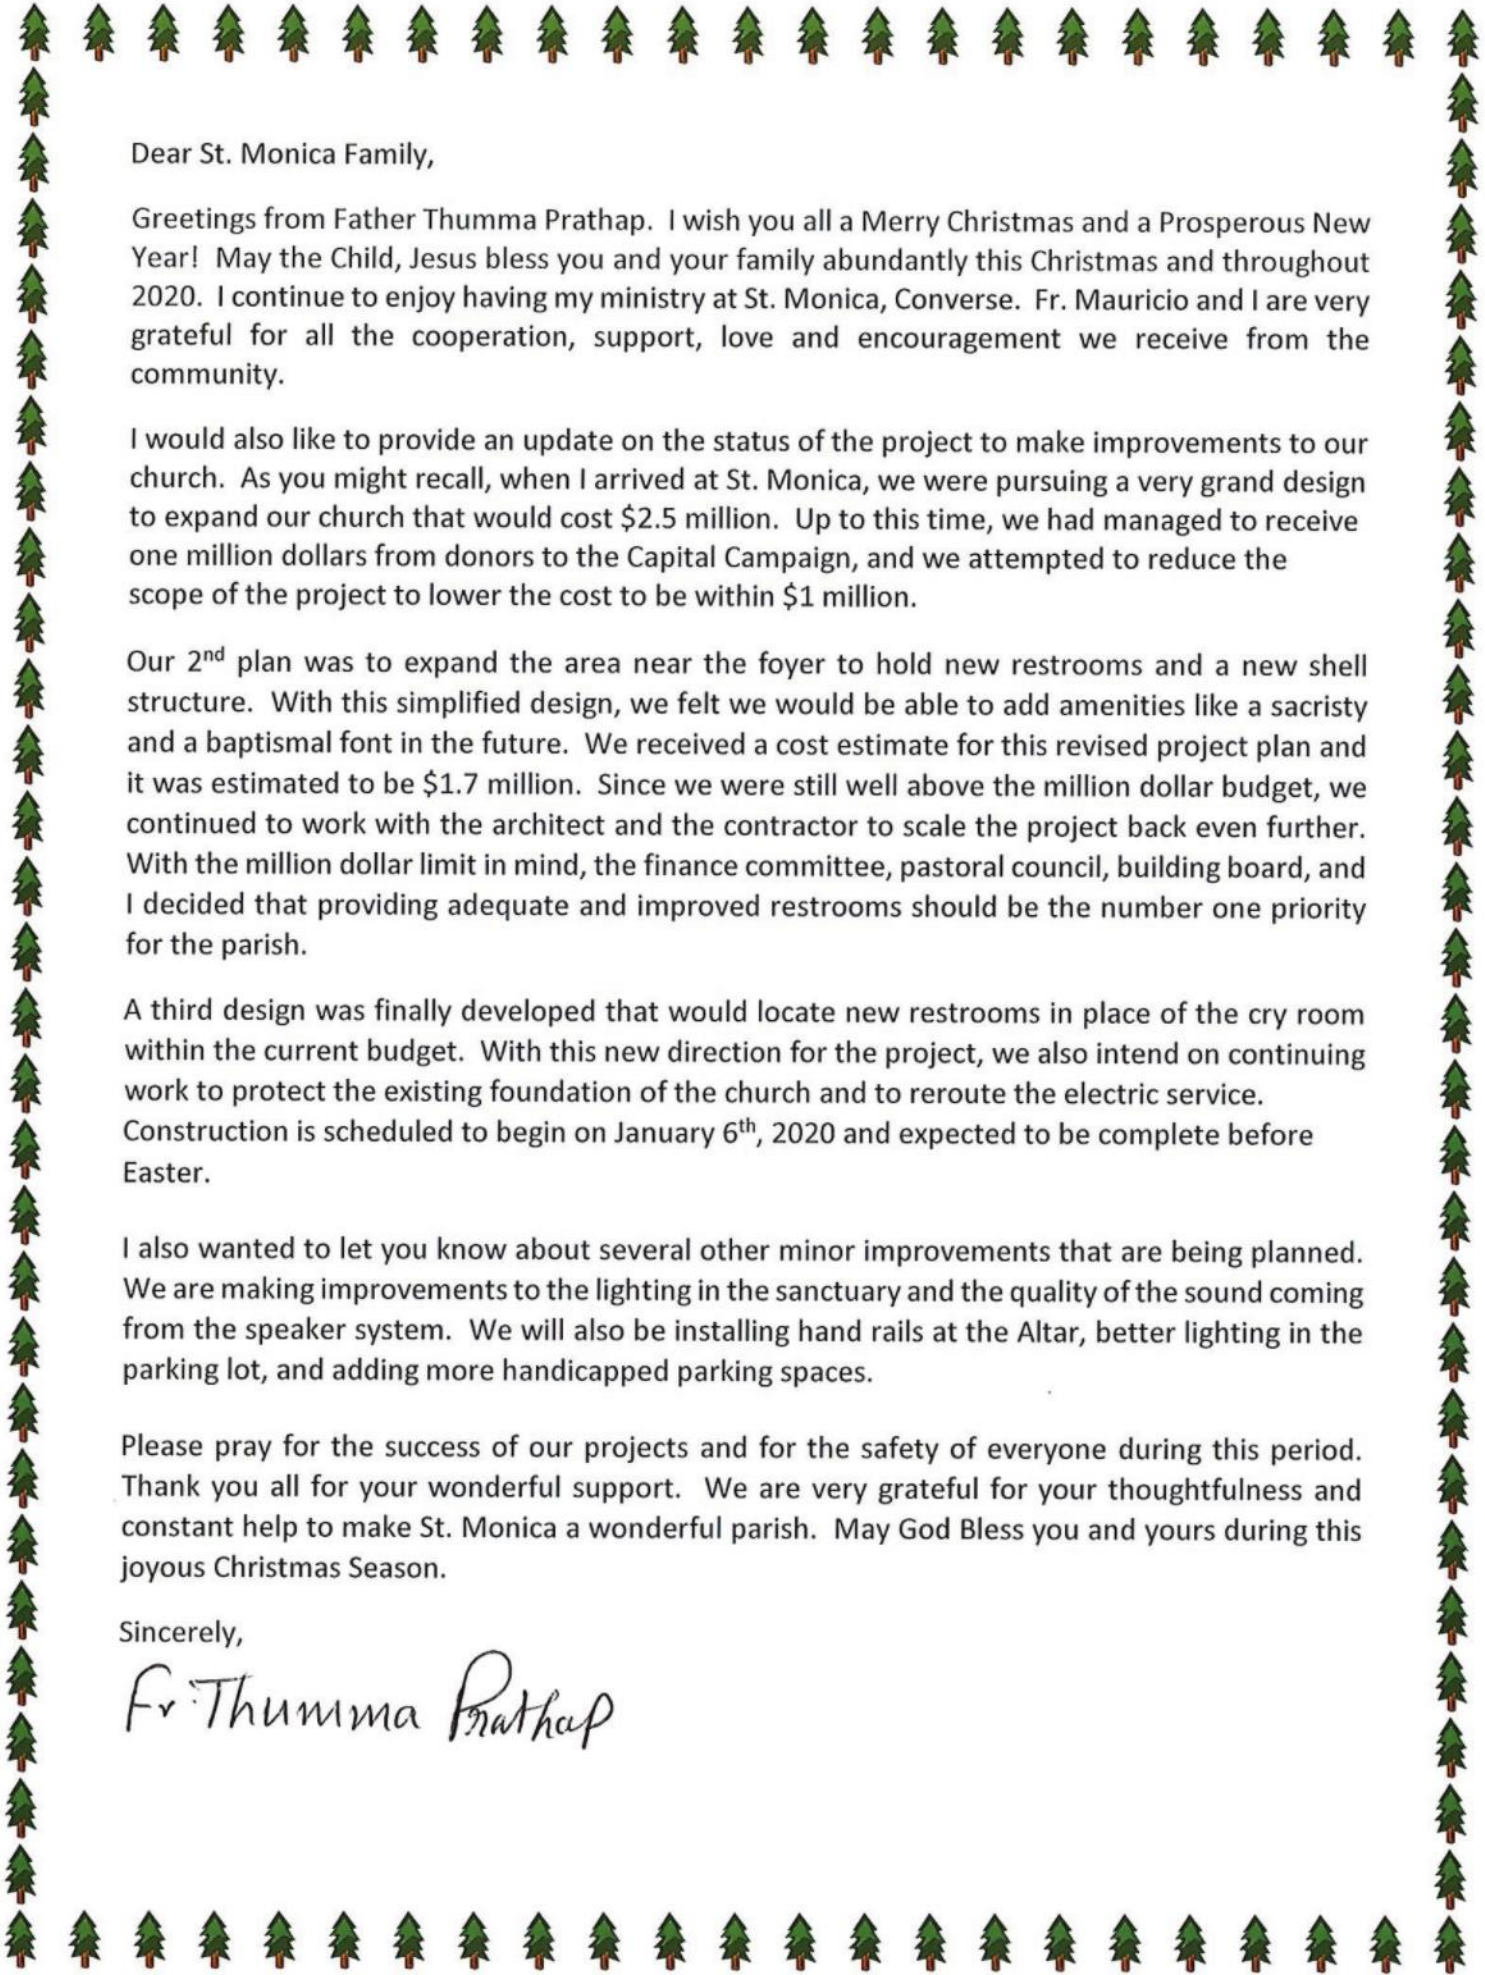

Finalmente se desarrolló un tercer diseño que ubicaría nuevos baños en lugar de la sala de llanto dentro del presupuesto actual. En esta nueva dirección para el proyecto, también tenemos la intención de continuar el trabajo para proteger los cimientos existentes de la iglesia y para redirigir el servicio eléctrico. La construcción está programada para comenzar el 6 de enero de 2020 y se espera que esté completa antes de Semana Santa.

También quería informarles sobre varias otras mejoras menores que se están planeando. Estamos haciendo mejoras en la iluminación del santuario y la calidad del sonido del sistema de altavoces. También instalaremos barandas en el Altar, mejor iluminación en el estacionamiento, y añadiremos más sitios de estacionamiento para desválidos.

Por favor oren por el éxito de nuestros proyectos y por la seguridad de todos durante este período. Gracias a todos por su maravilloso apoyo. Estamos muy agradecidos por su consideración y ayuda constante para hacer de Santa Mónica una parroquia maravillosa. Que Dios los bendiga a ustedes y a los suyos durante esta alegre temporada navideña.

Sinceramente

Fr. Thumma Prathap

Dear St. Monica Family,

Greetings from Father Thumma Prathap. I wish you all a Merry Christmas and a Prosperous New Year! May the Child, Jesus bless you and your family abundantly this Christmas and throughout 2020. I continue to enjoy having my ministry at St. Monica, Converse. Fr. Mauricio and I are very grateful for all the cooperation, support, love and encouragement we receive from the community.

I would also like to provide an update on the status of the project to make improvements to our church. As you might recall, when I arrived at St. Monica, we were pursuing a very grand design to expand our church that would cost \$2.5 million. Up to this time, we had managed to receive one million dollars from donors to the Capital Campaign, and we attempted to reduce the scope of the project to lower the cost to be within \$1 million.

Our 2nd plan was to expand the area near the foyer to hold new restrooms and a new shell structure. With this simplified design, we felt we would be able to add amenities like a sacristy and a baptismal font in the future. We received a cost estimate for this revised project plan and it was estimated to be \$1.7 million. Since we were still well above the million dollar budget, we continued to work with the architect and the contractor to scale the project back even further. With the million dollar limit in mind, the finance committee, pastoral council, building board, and I decided that providing adequate and improved restrooms should be the number one priority for the parish.

A third design was finally developed that would locate new restrooms in place of the cry room within the current budget. With this new direction for the project, we also intend on continuing work to protect the existing foundation of the church and to reroute the electric service. Construction is scheduled to begin on January 6th, 2020 and expected to be complete before Easter.

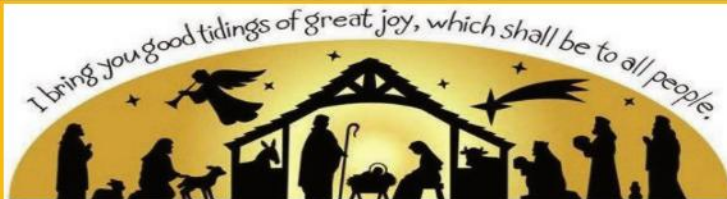

I also wanted to let you know about several other minor improvements that are being planned. We are making improvements to the lighting in the sanctuary and the quality of the sound coming from the speaker system. We will also be installing hand rails at the Altar, better lighting in the parking lot, and adding more handicapped parking spaces.

Please pray for the success of our projects and for the safety of everyone during this period. Thank you all for your wonderful support. We are very grateful for your thoughtfulness and constant help to make St. Monica a wonderful parish. May God Bless you and yours during this joyous Christmas Season.

Sincerely,

Fr. Thumma Prathap
