We encourage all our parents to consider sending your teenagers to attend this life changing weekend retreat that is designed to inspire them, to inform them about our faith, and for them to learn more about God's plan for their lives. A Teen ACTS Retreat is a Catholic lay retreat specifically prepared for 15-18 year old who are forming in their Faith.

The retreat is put on by an amazing group of students and dedicated adult leaders from St. Monica, who have worked extremely hard to prepare a meaningful and impactful weekend that your young person is sure to remember. You can be assured that your teens will be entertained and engaged throughout this Spirit-filled three days in the beautiful Hill Country. The retreat includes lots of fun, music, food, and games, but there will also be much time dedicated for reflection and self examination.

The retreat begins on Thursday, Mar 12, in the evening, and will end on Sunday, Mar 15 after the 11 o'clock Mass at Saint Monica. The retreat is coed and for any teenager who is currently attending high school. Space is limited and spots are filling up quickly, so please turn in your application as soon as possible.

The cost of the retreat is \$150, and that includes transportation to the retreat center, room accommodations, and all meals. Please, do not let the cost deter you from sending your teen on retreat. **Financial assistance is available.** Contact Bernardo Castellanos (210) 454- 5927 or Lyle Pearce (210) 913-5585 with any questions. You can register online at saintmonicaconverse.net/acts.

FIRST SUNDAY OF LENT

EVERYONE COUNTS Census 2020

According to the U.S. Census Bureau, about 1 million children under the age of 5 were missed in the last decennial census. Young children are at risk of being missed in the 2020 Census, too, especially those in complex living arrangements—for example, children who reside with large extended families or with multiple families under one roof.

Now is the time to address this challenge: The 2020 Census begins in March, and the count will impact the federal funds that communities receive for the next 10 years for services that benefit children, such as Head Start, special education, school lunch assistance, and children's health insurance.

National Census Day is April 1, 2020.

The answers you provide are used only to produce statistics. You are kept anonymous: The Census Bureau is not permitted to publicly release your responses in any way that could identify you or anyone else in your home.

Según la Oficina del Censo de los Estados Unidos, alrededor de 1 millón de niños menores de 5 años se perdieron en el último censo decenal. Los niños pequeños corren el riesgo de ser perdidos en el Censo de 2020, especialmente aquellos en arreglos de vida complejos, por ejemplo, niños que residen con familias grandes o con varias familias bajo un mismo techo.

Ahora es el momento de abordar este desafío: El Censo 2020 comienza en marzo, y el escrutinio afectará los fondos federales que las comunidades reciben durante los próximos 10 años por servicios que benefician a los niños, como Head Start, educación especial, asistencia para el almuerzo escolar y seguro de salud para niños.

El Día del Censo Nacional es el 1 de abril de 2020.

Las respuestas que proporcione solo se utilizan para generar estadísticas. Se le mantiene en el anonimato: La Oficina del Censo no está autorizada a divulgar públicamente sus respuestas de ninguna manera que pueda identificarlo a usted o a cualquier otra persona en su hogar.
