Having a Mass said for a specific prayer intention is a wonderful way to glorify God. You may request a Mass to be said for a living or deceased person, or for a particular intention. Mass intentions provide opportunities for prayerful remembrance of anniversaries and birthdays, and additional prayers for a deceased loved one. A donation of \$10 is requested when an intention is recommended.

Ofrecer una Misa para una intención específica de oración es una manera maravillosa de glorificar a Dios. Usted puede solicitar una misa para una persona viva o fallecida, o para una intención particular. Las intenciones de Misa brindan oportunidades para el recuerdo en oración de aniversarios y cumpleaños, y oraciones adicionales por un ser querido fallecido. Se solicita una donación de \$10 cuando se pide una intención.

Since it is October, and it is almost Halloween, what is the opinion of the Catholic Church on celebrating Halloween?

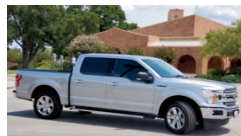

It is important that we celebrate both holidays that for Catholics fall during Halloween. One is all hallows eve, and the other is all Saints day. They go together, especially because during the Middle Ages it was thought that because there was a lot of pagan influence on spiritual things, "spirits everywhere", they thought, well, let's turn hallows eve into an opportunity to make fun of those spirits, and then to come together on all Saints day to celebrate all the Saints in heaven whom we pray to, and whom we ask intercession for. As Catholics it is important that we celebrate the fact that we are not bound by things of this world: that is all hallows eve; but that we are destined for things of heaven- that is all Saint's day. And after that, of course, we always celebrate all Souls, because then we pray for all those in that journey to heaven, all the souls who have passed away and that we pray, one day, we will see

Como es octubre y ya casi es Halloween, ¿cuál es la opinión de la Iglesia Católica referente a celebrar Halloween?

Es importante que celebremos ambas fiestas que caen durante Halloween para los católicos. Una es la víspera de todos los santos (*hallows eve*), y la otra es el día de todos los Santos. Estas van juntas, especialmente porque durante la edad Media se creía que había mucha influencia pagana en las cosas espirituales, espíritus por todos lados, y pensaron, bueno, pues entonces hagamos de la víspera de todos los Santos una oportunidad de burlarnos de esos espíritus, y luego en el día de todos los Santos, celebrar a todos los Santos en el cielo a quienes les rezamos, y a quienes les pedimos su intercesión. Como católicos es importante celebrar la certeza de que no estamos sujetos a las cosas de este mundo: esa es la víspera del día de todos los Santos; sino que estamos destinados para las cosas del Cielo- eso es el día de todos los Santos. Y después de eso, por supuesto, celebramos a todos los Fieles Difuntos, porque entonces pedimos por todos aquellos que van rumbo al cielo, y todas las almas que han muerto y oramos, algún día, veremos nuevamente en el cielo.
